## **2009/2010 Residency Season Pre - Booking Form**

We do about 30 residencies each year and most of our seasons since 1989 have been sold out. This year many schools were not able to do a Trickster Residency because their date choices were already booked by January. So, if you would like to book a Trickster residency for 2009/10 and want very specific dates, we suggest getting in the line early. Please fill out this form and fax it to us at (403) 286-6966. We will contact you within a few days to discuss the booking.
